

Dominions 3

- Players can design and save gods for later play
- Map filters now allow players to easily locate scouts
- Over 1500 units to wage war with — deep combat model encompasses everything from battlefield morale to the use of magic
- Nation specific spells and summons - More than 600 spells and 300 magic items, all with evocative descriptions

- Make and remake nations as you see fit, with more powerful modding capabilities

Product Description

Dominions 3: The Awakening gives you a chance to save your world from the coming chaos — or take advantage of it to see your god ascend and rule. Awakening from a slumber beyond comprehension to mortals, the gods promise much to their followers — and to their enemies they will deliver blood, fire, and death. The war for true ascension to godhood begins and a new chapter in the Akashic records is about to be written in the tattered flesh of the fallen... Turn any ... [More >>](#)
